Flea Market

Members have been asking about a flea market meeting. Well here it is. The June meeting will be your chance to unload all the magic tricks you have purchased at the magic stores and or have picked up at the last Flea market. So if you are new to this, here is how it works. Gather up your unused magic, we only have so many tables we can use, so you may need to share your spot. You need to bring cash to buy items, and if you are selling please bring enough cash to make change. I'm sure some members may accept checks but to be on the safe side just bring your cash. The Ring not be taking a percentage of the sales or charging for table space. There for we will not have cash on hand to make change.

It is a great night of bartering prices and sharing ideas on the tricks being bought and sold, and why they purchased a trick and now want to sell it.

Items being sold should be in good working order and have the original instructions with them. No one wants to buy damaged, worn out props.

On this night we will have the youth meeting but not Magic 101

“Discover Troy Hooser’s New Lecture”

June 16, 2009

7:00pm

Quality Inn Auditorium

Straight from the mind of Troy Hooser and into your repertoire This new lecture is packed with Troy’s favorite routines. Each routine is demonstrated and concisely explained. In addition, Troy describes all the subtleties and finesses required to perform each routine.

Here’s a preview of the NEW lecture

Three Coin effects, Three Card effects, Three Misc effects Plus a few extra routines

Just Two Coins, just two normal coins vanish & appear at will

Coins Across 101, start loaded end clean

Coins to the Bag Less Purse, three coins melt away as they are tossed to the bag less purse

Four Card Monte, my favorite card effect, easy & fun to.

Lecture as always is FREE to all Ring 1 members and \$10 for all others.

Stage Contest Results

My thanks to Ken Domash who did a great job of getting the stage contest put together. Finding a location with a stage isn’t as easy as it use to be, there are stages out there but they want 2 to 3 hundred dollars to use it for four hours. Next is finding the contestants. The night before the contest we had seven contestants signed up and the night of the contest we had three... There for we only awarded one place. The three contestants were Steve Fickelstien, Bret Johnson and, Allen Wilberton. Once again the judging results were very close. Thank you to the Steve, Bret and Allen for taking part in the contest. First place winner was Steve Fickelstien. Congratulations’ to Steve.

Job Opening

New Editor

Yes I am looking for someone to take over being editor for the monthly Spirit. I have been doing it for the past four years, and feel it needs a new fresh look. I often feel I am in a rut using the same format, and can’t seem to get out of it. We need to keep the interest going for the members, and making the Spirit news letter something to be looking forward to receiving every month. I am sure someone out there has had an interest in wanting to maybe put out a monthly newsletter. This Spirit is made using Microsoft word so no special formats needed and you can use any format you desire. I will be more than happy to help you get started just let me know.
